time, but may be considered for a maximum of 54 days of good conduct time credit per year (see 18 U.S.C. 3624(b)).

§ 523.11 Meritorious good time.

(a) Staff are responsible for recommending meritorious good time based upon work performance. Each recommendation must include a justification which clearly shows that the work being performed is of an exceptionally meritorious nature or is of outstanding importance in connection with institutional operations. Work performance and the importance of the work performed are the only criteria for awarding meritorious good time.

(b) A retroactive award of meritorious good time is ordinarily limited to three months, excluding the month in which the recommendation is made. A retroactive award in excess of three months requires the approval of the Warden or designee (may not be delegated below the level of Associate Warden). Staff are to include with any recommendation for an inmate to receive a retroactive award of meritorious good time, a written statement confirming the inmate's eligibility for the retroactive award.

(c) Meritorious good time continues uninterrupted regardless of work assignment changes unless the Warden or the Discipline Hearing Officer takes specific action to terminate or disallow the award.

§ 523.12 Work/study release good time.

Extra good time for an inmate in work or study release programs is awarded automatically, beginning on the date the inmate is assigned to the program and continuing without further approval as long as the inmate is participating in the program, unless the award is disallowed.

§ 523.13 Community corrections center good time.

Extra good time for an inmate in a Federal or contract Community Corrections Center is awarded automatically, beginning on arrival at the facility and continuing as long as the inmate is confined at the Center, unless the award is disallowed.

§ 523.14 Industrial good time.

Extra good time for an inmate employed in Federal Prison Industries, Inc., is automatically awarded, beginning on the first day of such employment, and continuing as long as the inmate is employed by Federal Prison Industries, unless the award is disallowed. An inmate on a waiting list for employment in Federal Prison Industries is not awarded industrial good time until actually employed.

§ 523.15 Camp or farm good time.

An inmate assigned to a farm or camp is automatically awarded extra good time, beginning on the date of commitment to the camp or farm, and continuing as long as the inmate is assigned to the farm or camp, unless the award is disallowed.

§ 523.16 Lump sum awards.

Any staff member may recommend to the Warden the approval of an inmate for a lump sum award of extra good time. Such recommendations must be for an exceptional act or service that is not part of a regularly assigned duty. The Warden may make lump sum awards of extra good time not to exceed thirty days. If the recommendation is for an award in excess of thirty days and the Warden concurs, the Warden shall refer the recommendation to the Regional Director who may approve the award. No award may be approved which would exceed the maximum number of days allowed under 18 U.S.C. 4162. The actual length of time served on the sentence, to the date that the exceptional act or service terminated, is the basis on which the maximum amount possible to award is calculated. No seniority is accrued for such awards. Staff may recommend lump sum awards of extra good time for the following reasons:

- (a) An act of heroism;
- (b) Voluntary acceptance and satisfactory performance of an unusually hazardous assignment;
- (c) An act which protects the lives of staff or inmates or the property of the United States; this is to be an act and not merely the providing of information in custodial or security matters;
- (d) A suggestion which results in substantial improvement of a program or
